

AdSense Systems Website License

License

You own a single copy license of this website. We strictly enforce that no more than 100 niche websites are sold and distributed. **We use underground tracking methods to make sure sites are not duplicated. Do not resell or duplicate this site! You will be caught and charges will be pressed!!!**

We understand that after several years of optimization that you may want to sell your website, however the website can not be resold with out express written permission. This copyright license must remain intact. Once the website is transferred, you may not reuse this website script.

Duplication of this website is prohibited!

Resale of this website is prohibited!

If the website was purchased on a disc, you may not resell the disc.

If you have purchased this website from anyone besides www.adsensesystems.com or LMS-Internet-Company, please contact us for a handsome reward and more FREE websites.

Thank you for your honesty and compliance.
